Permission is hereby requested to construct a driveway in the public Right-Of-Way in Kearney County. Locate parcel boundaries, all current entrances into the parcel, current culverts and drainage ways, and proposed entrance.

___ New Installation ___ Widen ___ Other

Section _____ T- ___ R- ___ in Kearney County

The construction of said driveway shall be 30' wide and with culverts installed as the highway superintendent deems necessary. Kearney County Board of Supervisors' Policy states that the county will furnish 30' of culvert per 80 acres. It will be the landowner's responsibility to purchase the culvert if they have less than 80 acres or if they want longer than 30' width. The permit holder shall inform the Kearney County Road Department prior and upon completion of the construction of said driveway in order that the work may be inspected. The permit holder agrees to restore the public road and right-of-way to the original condition prior to the work. The permit holder assumes all liability and will furnish signs in accordance with the MUTCD of Nebraska during construction.
